Sub-Filling up of vacancies of ministerial staff of BSM Group.

Dear Sir,

Your attention is invited to the large number of vacancies i.e. 42 against 68 sanctioned cadre of ministerial staff of BSM Group, particularly in Engineering Deptt. As you are aware that the establishment work of Engg. Deptt. staff is decentralized and Units are maintaining service records of Trackman. Further the Promotion, Reversion and Transfer, fixation of pay etc. are done at the level of ADEN for their jurisdiction. Presently Trackman category is also re-structured and they are to be given promotion as per laid down AYC in GP 1900, 2400 and 2800, and orders/clarification etc. are being issued by Board every now and then, which needs alteration of earlier exercise and thus work load increased. In addition to this all most all SPS(PW) in Division are dealing with various work which also needs clerical staff.

In view of the above, you are requested to have a personal look to the problems. In this context, Union suggest that the vacancies in initial/recruitment grade may be filled in through selection from eligible Group-D staff.

Action taken be advised.

  
Divisional Secretary,  
WREU ADI
