Subj: Dirty water coming in FRS office at
SIQB station causing difficulty to
FRS staff and quarrel with public.

Dear Sir,

The waiting room at SIQB station is on the
up floor and FRS office is functioning on the ground floor.
The waste/dirty water of the waiting room is coming in
the FRS office which is causing much hardships and
difficulty to FRS staff. Not only this, many time they
have quarrel with the public. It is learnt that recently
septic tank is provided just opposite the FRS office in
front in the very less distance with the result dirty
smell is coming and causing much difficulty to FRS staff
involving hygienic problems.

It is requested to examine the site and do the
needful to avoid this problem in the larger interest of
FRS staff health and public complaints.

Action taken be advised.

WREU ADI
