Sub: Clarification regarding reckoning of 20/33 years of qualifying service in respect of Drivers, Gangmen, Specified safety categories in GP 1800 and 1900 under Liberalized Active Retirement Scheme for Guaranteed Employment for Safety Staff (LARSCESS).

In terms of Board's letter of even number dated 01.12.2014, it has been stipulated that for determining the eligibility of the employee in respect of the prescribed qualifying service of 33/20 years under LARSCESS, an employee is required to render total qualifying service of 33/20 years, out of which the employee should have rendered at least the last ten years in the concerned safety category post.

2. A question has been raised as to whether the last 10 years qualifying service has to be in the present specified safety category OR can be combined service rendered in the present category as well as another specified safety category/categories under LARSCESS.

3. The matter has been examined by the Board and it is clarified that the employee should have completed the last 10 years of qualifying service in one or more than one specified categories which are covered under LARSCESS.

(This disposes off WR's letter No. E(R&T) 890/60/1/LARSCESS/Policy Vol.III dated 06.02.2015.)
